Bills for the following amounts were ordered paid last night, by the following council committees, respectively: real estate, \$10 43; cemeteries, \$16 83. No action was taken on painting the city buildings, as bids are not advertised for yet. The county commissioners will be asked to confer, relative to painting their end of the building.

COUNCIL MEETS TO-NIGHT.

Council meets to-night in regular session, and in addition to considerable business of a routine character, it is likely that the bridge toll question will come up in the form of resolutions. In each branch of council, looking to the leasing of one or both bridges in order to bring about the abolition of toll for foot passengers on the bridges, at least for all who are citizens of the municipality. The Island councilmen claim to have worked up some sentiment in favor of this move among members from the city-side wards, and are hopeful that the day of no toll for the Island is approaching.

CAUGHT AT SISTERSVILLE

Was Mont Mazingo's Partner Who Had Fled with the Show.

E. R. Doran, Mont Mazingo's partner, who cut the ropes that held Mont's show boats to the wharf, and floated down stream without giving the Turk any previous notice, was caught at Sistersville yesterday, a telegram to that effect being received last night by Constable John Anderson, who had left the warrant in a Tyler county official's hands on Sunday. Doran is charged by Mont with seeking to defraud him out of \$1,000 personal property, which includes the boats and trappings. Doran fled to the Ohio side, but crossed over yesterday and was nabbed. If the affair is not straightened out he will be brought to Wheeling for a hearing before Squire Rogers.

THE HUB—CLOTHIERS AND FURNISHERS.

A Customer

Asked us if we made a profit on those ten dollar Suits. We told him yes. We will never try to make you believe we are in business for fun. True, we make very little on a \$10 Suit, because we put better material, better trimming and better workmanship in them than is usually put into a suit at this price, so as to get a better suit than anyone else to sell for this money. Our \$10 Suits are more apt to be \$12.50 and possibly \$13.50 to \$15.00 elsewhere.

Do Not Get the Impression That We Are Not Equally Strong in Finer Suits.

Ten dollars won't get the best suit made. Take our line at \$12.00, \$15.00 and \$18.00, and you'll pay from \$2.50 to \$5.00 more for their equals about town. Their beauty would give a custom tailor a conniption fit and drive him into some other business. They won't come to see them; hence there always will be tailors for those men who won't investigate either. Funny world.

Prudent mothers are making the most of the opportunities we are offering this week in our Boys' Clothing Department. Enough said. Your money back if you prefer it.
